Updated in November, 2017
On behalf of everyone at Give Kids The World, I would like to extend a heartfelt welcome to our Village. Our hope is that over the next few days you will be able to share precious time together as a family and creating memories you will cherish for years to come. Our staff and volunteers are committed to creating a magical experience and are here to assist you in any way possible.

During your stay, through the generosity of our theme park friends, you will have the opportunity to visit the world’s best-loved vacation destinations including Walt Disney World, SeaWorld Orlando and Universal Resort Orlando. We are so grateful for their support and that of so many other companies and individuals who share their time, talents and resources to help make this experience possible.

This book is designed to guide you through all of the exciting activities Central Florida has to offer; we have tried to answer the most frequently asked questions. We want your experience to be as stress-free and memorable as possible, so please don’t hesitate to ask any questions not addressed here. Our staff is available 24 hours a day to assist you.

When your visit draws to a close, we would love to hear your comments and suggestions for how we may best serve families who visit us in the future.

Thank you from the bottom of our hearts for entrusting us with your wish. We hope that your stay is everything you dreamed of and more.

With love,

Pamela Landwirth

Weather Safety

Severe Storm Information
At Give Kids The World Village, we have a severe storm emergency plan in place to keep all of our families safe. In the event of an emergency, you will be notified and given specific information.

Tips for Coping with Unpredictable Weather
During a strong storm, the safest place in the villa is in the small bathroom or in the hallway.

If you have electrically powered medical equipment, notify Guest Services at “4000.”

A flashlight is in your villa kitchen for your convenience.

If the power to your Give Kids The World villa is interrupted, please shut off the air conditioner unit and all electrical equipment, such as your TV, to prevent power surges or further damage. If possible, avoid flushing the toilets.

If your villa floods or sustains any damage, please notify Guest Services at “4000.”

While it is possible that some attractions may temporarily close, all of the theme parks are open rain or shine. Make the best of it by planning to see a show or visiting an indoor attraction during inclement weather.

Lightning

When thunder roars, stay indoors! Lightning is a big factor in Florida weather and can occur even if it is not raining. During lightning storms, we ask that you try to remain indoors. In the event of inclement weather, outdoor venues will be closed until it’s safe to be outside. If you have questions regarding if it’s safe to be outside, call Guest Services at “4000.”

If you are in a water environment such as a swimming pool, please seek shelter immediately. Please know that we take lightning very seriously and will close the pool areas and other outdoor activities at the Village during times when lightning has been spotted in the area. Your safety is our top priority.

Please note that lightning may cause a delay in Village meal deliveries from Katie’s Kitchen and Mama Merry’s Pizzeria. Thank you for your understanding.

Sun Safety

The warm weather of Florida means you can have fun in the sun almost all year. We encourage you to take the care needed during your stay and not let a heat-related illness ruin your vacation.

Here are a few tips to help you stay cool and comfortable in the Florida sun:

- Use of sunscreen is always recommended when in the sun.
- Dress for the heat. Wear lightweight, light-colored clothing. Light colors help reflect away some of the sun’s energy. It is also a good idea to wear a hat.
- Carry water with you and drink regularly even if you do not feel thirsty. Avoid caffeine and alcohol, which dehydrate the body.
- Eat small meals throughout the day and avoid foods that are high in protein, which increase metabolic rate.
- Avoid using salt tablets unless directed to do so by a physician.
- Avoid strenuous activity. If you must engage in strenuous activity, do it during the coolest part of the day.
- Stay indoors when possible.
- Take regular breaks in air-conditioned areas or in the shade. If you feel that you or someone in your group is beginning to show signs of heat-related illness, stop activity and find a cool place to rest and relax.
Although we do not have medical staff on-site at Give Kids The World Village, there are numerous medical options and facilities available to our families. Please see the suggested facilities below. You may contact the Manager On Duty or Guest Services for more information at “4000.”

**EMERGENCIES Dial 911**
(Dial “9” first if you are at Give Kids The World Village: “9-911”)
An ambulance will take you to the nearest hospital. ALWAYS dial “0” to contact the switchboard of Give Kids The World Village if a member of your party becomes ill, has an emergency or is hospitalized. Village staff must be aware of each situation in order to better assist you.

If you must call “911” while off property, please also notify Guest Services at (407) 396-1114, ext. 4000.

**Doctors**
If you need a doctor but the situation is not serious enough to call “911,” please call Guest Services at “4000” for a referral.

**Medical Assistance in the Theme Parks**
Each theme park has at least one first aid station. Any park employee can provide directions to the nearest station. At the station, you may take a few moments to rest. You may also leave labeled and packaged equipment to be stored (at your own risk).

Give Kids The World was founded in 1986 and operated out of founder Henri Landwirth’s hotel.

In 1989 Landwirth developed Give Kids The World Village, a stand-alone nonprofit resort in Kissimmee.

The Gingerbread House Restaurant cooks more than 18,600 pounds of liquid eggs, 19,000 pounds of bacon, 13,000 pounds of sausage and 5,000 pounds of pancake flour each year!

Our mayor happens to be a 6-foot-tall rabbit, Mayor Clayton. He lovingly takes care of our Village with his bunny-bride Ms. Merry. Mayor Clayton and Ms. Merry even tuck children into bed at night. Please call the front desk at “4000” to schedule your tuck-in.

More than five-million meals were served in the Gingerbread House Restaurant before Towne Hall opened.

To date, more than 152,000 families have visited Give Kids The World Village from all 50 states and 76 countries around the world.

The tables in the Gingerbread House and The Peppermint Table feature 752 lbs. of peppermints or 66,874 peppermints total!

Over 2,200 dolls are displayed in the Gingerbread House and The Peppermint Table. They were donated by families from all over the world.

There are over 130,000 stars on the ceiling of the Castle of Miracles and in the Star Tower.

Each week, more than 1,700 volunteers donate their time and talents to the Village.
Give Kids The World Village is GREEN!

Through communication and education about water conservation, energy efficiency and waste reduction, all of us at Give Kids The World Village are taking “going green” seriously.

Listed below are just a few of the things we are doing here at the Village:

• We have energy sensors in our villas that detect motion, helping us to reduce our air conditioning and heating costs by 45–50%, which is the equivalent of saving 2,000 trees a year! Be assured that the A/C in your villa turns on when you return home and will remain on during the night as you sleep.

• We use energy efficient lighting. Your villa lights will be dim when first turned on but will brighten to full capacity in less than a minute, reducing energy consumption by 70–80%.

• We provide a smoke-free environment throughout our public and guest areas.

• We recycle paper, plastic, cans and cardboard in all guest and staff facilities. This saves about 432 cubic feet of material each week from going into a landfill. We encourage you to use the blue recycling bin in your villa throughout the week. No need to sort your recyclables; we will take care of that for you.

• All of our villas use low-flow water fixtures. This reduces water consumption by 25% on a yearly basis.

• We encourage towel and linen reuse in guest rooms by only replacing fresh towels and linens upon guest departure.

• We offer preferred parking for electric vehicles with available EV charging stations.

• Leaving your villa front door open for more than a few minutes will automatically turn off your air conditioner.

• We recycle 67,000 cubic feet of materials per year which would fill three GKTW villas.

If you have any comments or suggestions about our “green” efforts, please include them on the guest survey you will receive after your stay.

Your Give Kids The World Village vacation has ended but you can still stay connected to us!

Give Kids The World Alumni Program was created to help former wish families stay linked to all of the fun of Give Kids The World Village. We expect this information will be a way for families to make new connections and memories, even though they might be far away. Visit gktw.org/alumni to learn more!

Connecting with us through social media is like reliving a little bit of your family vacation every day. Read stories and see pictures of other families who are also making Give Kids The World Village their home-away-from-home. Help us thank our sponsors and donors by sharing and “liking” our posts. We’d also love to hear your stories and see your pictures! So share them and tag us on Facebook, Twitter and Instagram!

When our alumni families arrive back home, memories of their vacation lingering in their minds, some look for ways to stay connected and to help out. Here are just a few ways to help contribute to the happiness that inspires hope:

Volunteer – Many alumni families enjoy visiting and helping to create the atmosphere of love that they felt during their trip to make the time at the Village even more special for another guest family. If you are planning a return visit to Central Florida and have some time in your itinerary, we invite you to volunteer at the Village.

Please contact our Volunteer Services team directly at 407.396.0770 or visit the volunteers section of our website and apply to volunteer. Be sure to check out our list of area hotels for the best deals.

Become an Ambassador Family – Give Kids The World Village is seeking families who want to share our story — and their own — as Give Kids The World Village Ambassadors. Whether you’re attending a Give Kids The World Village function at our invitation or speaking to a group in your community, your assistance in spreading the word about the Village will be extremely valuable and appreciated.

Donations – There are many ways to donate to Give Kids The World Village. Host a fundraiser, conduct a donation drive, or support us through our Scoops of Hope program. You can also make a donation on our website.

For more information on donating and fundraising, contact dream@gktw.org.
Shop for a Cause – Take a bit of the Village home with you by checking out the Give Kids The World Village online Gift Shop for apparel, accessories, and gift items. During the holidays, greeting cards showcasing children’s artwork are also available to show your support for the Village.

Holiday Art Search – Sharing the beautiful and heartfelt artwork that your children create is a Give Kids The World Village tradition on our merchandise program. So, if there’s a budding artist in your family, we’d love to have him or her submit artwork to be considered for the next t-shirt, mug, holiday card, or just about anything. Have your mini-Picasso stretch their creativity and imagination, draw something inspired by their time at the Village and submit it to tinas@gktw.org.

Upon check-out, you received parting gifts from Give Kids The World. Now that you are home, you may need a little reminder about the contents of your package or other pieces of your Give Kids The World vacation.

GKTW Photos – As our gift to you, we’ll provide all photos taken of your family at Give Kids The World Village on a souvenir photo CD.

Vacation Memories DVD – If you borrowed a video camera during your stay, you may have a DVD from us. It is compatible to most DVD players and some computers. Enjoy! If you have any questions regarding your DVDs, you may contact Give Kids The World at myvacation@gktw.org.

Star Passport – If you saved your star experience for the end of your trip, your Star Passport was in your departure package or was mailed to your home. This passport will include a bar code, coordinates of where your star is located, and the name of your Wish Child.

Each “song of love” is professionally produced with lyrics containing the child’s name and references to all of his or her favorite things. Songs are written and performed in any language in the musical style the child likes best (kids, pop, R&B, rap, rock, alternative, etc.) by many talented singers/songwriters. As each child is unique, so is every “song of love” composition. Make this trip extra special and everlasting with a Song of Love! Just fill out a request form at www.songsoflove.org/request and your child will have his or her very own Song of Love in just a few weeks.

Scoops of Hope – Scoops of Hope is a grass-roots awareness and fundraising campaign which was inspired by one of our former wish families who celebrates the anniversary of their Village trip each year by eating ice cream, just like they did in the Ice Cream Palace during their stay at Give Kids The World Village. That idea has turned into a fundraiser and now families and businesses from all over the world host Scoops of Hope special events to support our mission: creating the happiness that inspires hope for children with life-threatening illnesses. We invite you to host your own Scoops of Hope event in your home town and have fun. The more fun you have, the more everyone involved feels good about making a difference in the life of a child! For more information, visit scoopsofhope.org or contact specialevents@gktw.org.
