Give Kids The World (GKTW) fulfills the wishes of children with life-threatening illnesses and their families from around the world every day of the year. To serve these precious children, we partner with 250 wish granting organizations (WGO) worldwide. We look forward to working with your organization as well.

Our many WGO partners first identify and qualify a child to determine that they will receive a Wish to Give Kids The World Village. A Wish related to the Central Florida attractions (including, but not exclusive to Walt Disney World, Universal Orlando, and Sea World) is eligible for Give Kids The World.

The WGO then manages the coordination and submission of all appropriate requests and forms to GKTW to make the reservation. Once the reservation is confirmed, the WGO arranges transportation to the Village via air, train, car, etc., coordinates any medical equipment and supply needs for the family, provides expense money for the family.

Give Kids The World provides the package (listed on the left) to each Wish family for a nominal support fee.

For more details, you can view the family pre-arrival site at givekidstheworld.org/families and for specific questions regarding the GKTW Wish, please contact myvacation@gktw.org.
