About Give Kids The World Village

When a child is diagnosed with a critical illness, a family's world turns upside down. At Give Kids The World Village, we help them find their footing. Medical treatments and hospital visits are replaced with nightly parties, ice cream for breakfast, and hugs from a six-foot rabbit. Guests visit Orlando's world-famous theme parks, play in a sparkling splash park, and celebrate Christmas and Halloween every week. It's a chance for kids to be kids and for families to spend much-needed time together.

I'm heading to Hearts of Reality to raise money for children with critical illnesses! Hearts of Reality is a charity event that brings together more than 100 reality television stars to raise money for, and awareness of, Give Kids The World Village, a nonprofit resort in Central Florida.

At the Village, kids and their families are treated to weeklong vacations that include accommodations in beautiful villas, theme park tickets, transportation, meals and so much more. This once-in-a-lifetime trip gives families a much-needed break from medical treatments and hospital visits.

My goal is to raise \$_____ for Give Kids The World Village, and your support would mean the world to me.
