Whether you're arriving to the Orlando International Airport, Orlando Sanford International Airport or Kissimmee Train Station, a Give Kids The World Village greeter will be waiting to meet you outside the security gate in the main terminal. (At the Orlando International Airport, you'll need to take the shuttle from your gate to the main terminal.) Look for a colorful sign with the wish child's name on it. All greeters wear GKTW Village shirts to identify themselves easily. **Please do not tip the greeter.** The greeter will escort you to your luggage and ground transportation counter to pick up your rental vehicle or board a shuttle. If you have any handicap automobile permits, please bring them for your parking spaces at the various parks you will be visiting.
